# ENOCH ENUJIUGHA

## Full-stack Software Developer

Akure, Ondo, Nigeria
| [mmejuenoch@gmail.com](mailto:mmejuenoch@gmail.com) | [https://github.com/naijadeveloper](https://github.com/naijadeveloper) |

## Summary

I have an infectious excitement for building and structuring web and desktop applications, both for the front-end and the back-end. I am creative, a problem-solver and always ready to learn something new to improve. I am patient and I bring a positive mindset to the work environment 24/7.
